Environmental Excellence Through Experience

Property Address: 5600 Mitchell Mill Rd., (Wake)

This is a follow up of our recent visit conducted at the above address at the request of the property owner/builder. Mapping of the system with a probing rob was accomplished. (not to scale)

Only able to track 33 linear feet of
gravel material until the line is una-
ble to be tracked further through
the 10 feet high Bamboo material

John O. Pearce
